

Jesus and his friends were leaving the city when they passed a man who was blind; he had heard the rumors about Jesus. The man shouted, “Jesus, have mercy on me!” the crowd shushed him. Jesus ignored the crowd, called the man over, and asked him:

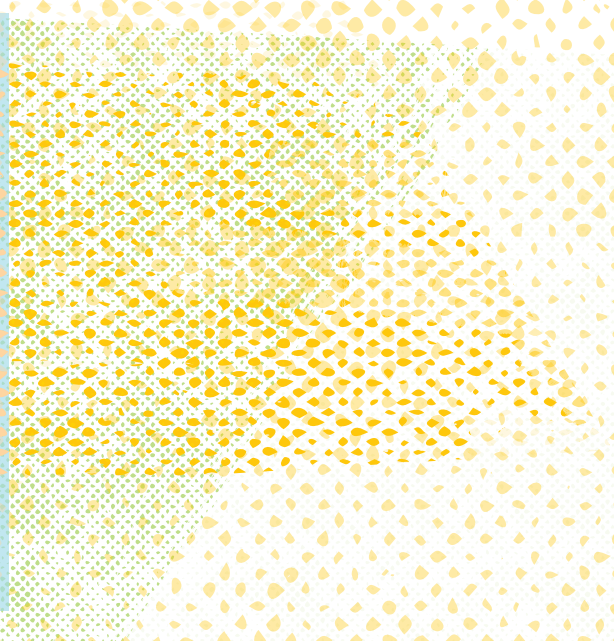

“WHAT DO YOU WANT ME TO DO FOR YOU?”

He said, “I want to see.” Jesus replied, “Go on your way; your faith has healed you.” Immediately, he could see and he followed Jesus down the road. **MARK 10:46-52**

If you wanted Jesus to heal one area of your life, which would you ask for?
